PERFORMANCE VENUE AT 800 WEST MAIN  
An Allied Arts Member Agency

Dear Theatre Patron or Artist,

The Carpenter Square Theatre Board of Directors and Staff have some important decisions to make and we need your input. Currently, Season 37 is scheduled to open Friday, November 27 with “Ken Ludwig’s A Comedy of Tenors,” and run through Saturday, December 19. We expect to hold performances at Main & Shartel, as COVID-19 has severely slowed down renovations at the new venue.

**Please respond to the questions below. Deadline to respond is Tuesday, September 1.**

Keep in mind that parties/groups would be seated with at least 2 open seats between parties. Also, every other row will be blocked off for social distancing. Similar to performances last March, special cleaning procedures will take place before or after every performance, and hand sanitizer will be available in the lobby and bar/concession room.

Do you believe you will be ready to attend live performances at CST beginning November 27-December 19?

Would you be ready/willing to attend with masks required?

How many people are usually in your party?
